

The Student Union Legic-card

Quick and convenient

The Munich Student Union's Legic-card is a multifunctional card, whose primary function is to replace cash payments. To make a payment or to charge your card, simply hold it against the card reader – you don't even have to take the card out of your wallet.

Usage and payment function

Use your Legic-card to pay in all canteens, cafeterias and most espresso bars. The majority of drinks, snacks, ice-cream and photocopy machines serviced by Munich Student Union is also Legic-card compatible. Even the deposit on bottles or crockery is automatically deducted from / reimbursed to your Legic-card.

Additionally, many photocopiers, scanners and printers in various sections of the libraries of the Munich Technical University, Munich University of Applied Sciences and Rosenheim University of Applied Sciences are also equipped with a Legic-card reader.

Purchase of a Legic-card

Legic-cards are available for purchase at all Munich Student Union service bureaus / infopoints. These are generally found at the entrance to canteens, and are also your port of call if you need help or are having problems with your card, or wish to return it.

Price

A Legic-card is issued for €10 (€6 deposit + €4 to spend). You can charge your Legic-card using either cash or an EC-card. Cash top-up machines accept €5, €10, €20 and €50 notes. When the amount inserted into the machine is displayed on the screen, hold your card up to the card-reader and wait until the new value of the card is displayed. Your card is now charged.

At an EC-card top-up machine you can use your EC-card to transfer a new balance to your Legic-card. The specified amount is transferred directly from your bank account and a receipt is printed upon request.

Loss of your card

It is advisable to make a note of your six-digit card number. Cards reported as lost can be barred within the system. If your card is handed in, and you know the number, it can easily be returned to you and reactivated.

Return a Legic-card

If you don't need your Legic-card anymore and wish to return it, you can do so at any of our service bureaus / infopoints. The deposit and any unspent value on the card will be paid out to you. The return of the deposit requires that the card is undamaged.
